Message: "Lessons from the Crucible"

Pastor Curtis Reimer

Scripture: 1 Kings 17: 8 - 16

Welcome to CHBC...

In James 1: 2- 4 we read:

"Consider it pure joy, my brothers, whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything."

Elijah and the widow of Zarephath were brought together to face individual trials, and challenged to trust and obey the God they served. May we see that God's provision is sufficient and that our perseverance in trusting Him will strengthen and mature us.

Construction Chaos

We now have a beautifully carpeted entrance in the foyer, the nursery nearing completion, and some of the downstairs doors are getting their final touches put on! Our new kitchen is taking form, as is the kitchen space in the multipurpose room. You may want to "go before you come" since the upstairs bathrooms will not be ready for use yet, but the bathrooms downstairs are still functional.

Missed a Sunday and want to catch up? You can listen to CHBC sermons online. Visit our website at www.mychbc.ca

Missions Offering

The North American Baptist Conference has a goal "to have the best cared for missionaries in the world." Seven new missionaries are lined up to be sent out in 2010 and, as a part of our family, they need to know that we are pursuing the best care for them. Medical insurance premiums are up by 14% and the weak US dollar has created a challenge for supporting our missionaries and maintaining quality care. On May 2 we will take an offering for our NAB Missions to meet that challenge. Please give generously!

Missionary of the Week: Florinda Serafin, National Missionary, Church Planting, Verenópolis, RGS, Brazil

Praise for 12 months of work completed here in Verenópolis and for the 30 people in attendance. **Pray** for us as we have several goals for this year: 1) to double the number of people attending 2) to look for or possibly buy a lot for a church building 3) to have at least 20 baptisms 4) to have the help of a seminary student who is beginning seminary studies 5) to welcome a pastor eventually because there is much work to do. **Continue to pray** for me as I am recuperating from my vocal cords problem with the help of treatment. Otherwise, my health is excellent.
